For dances involving more than one dancer, the age category will be determined based on the overall average age of the group. If the resulting average ends in 0.5 or higher, it will be rounded up to the next whole number (for example, 6.5 becomes 7).

The registration form must be completed for each choreographic moment.

We reserve the right to check the age of the participants. Also, if the number of participants on stage during the artistic moment is equal to the number of participants registered in advance.
